Note:

1. Above schedule effective July 1, 2014
2. Block to be held for 5 working days prior to reserved OR day of each surgeon
3. Vacations and other absences to be provided to Mrs. Tammy Dudley in Department of Surgery so that block during those days can be released in advance
4. Only direct communication between surgeons and their mutual agreement to a temporary specific change, followed by notification of Grady Memorial Hospital Scheduling Services, can alter this block arrangement
5. Please try to identify cases that can be scheduled in the 4th floor Women's Center O.R. on Tuesdays to increase our block utilization.
6. Please communicate with other MSM surgeons in advance when you know that you are not going to use your block time or when it is not filled so that additional cases can be added by other surgeons and improve our overall block utilization.
